ORGANIZED BY:

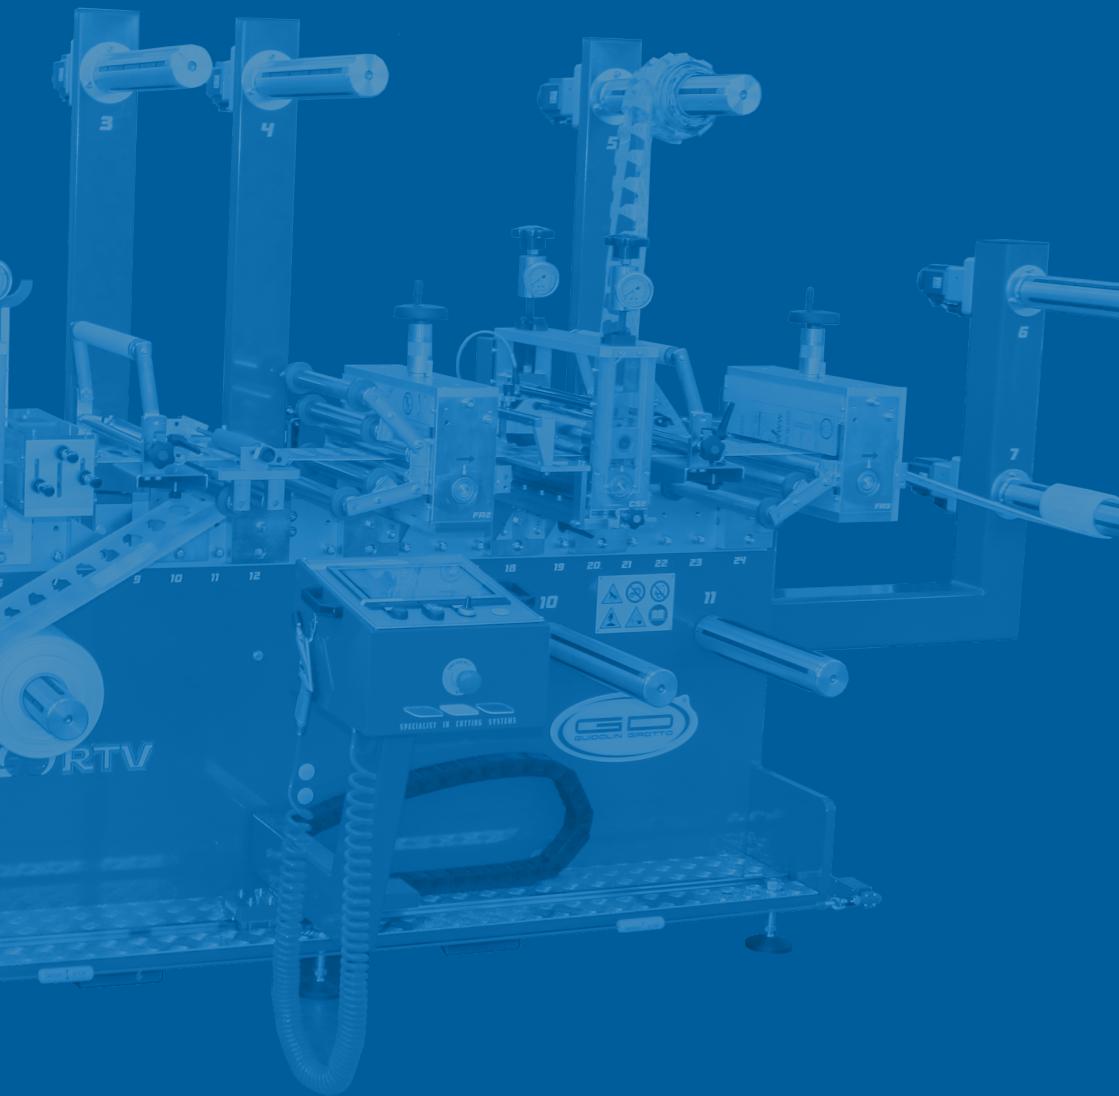

ITALIAN  
EXHIBITION  
GROUP  
Providing the future

## ADHESIVES BONDING & SEALANTS - ABS EUROPE 2026

is the only European event dedicated exclusively to the entire supply chain of the adhesives, bonding, sealants, foam, tapes, glues, resins, coatings and films industry.

# SCENARIO AND MISSION

## ADHESIVES BONDING & SEALANTS

– ABS EUROPE 2026 is the premier international trade show and Italy's first event dedicated exclusively to adhesives, bonding, sealants, foams, tapes, glues, resins, coatings, and films. It showcases the entire production and supply chain: raw materials, machinery, technologies, systems, plants, services and end products.

High-performance adhesives are increasingly replacing traditional fasteners like screws and bolts, driving innovation across sectors such as electronics, mechanics, packaging, graphics, printing, automotive, aerospace, furniture and household appliances. Similarly, coatings and paints play a crucial role across industries, offering technological advancements that businesses can't afford to overlook.

With rising demand and continuous industry growth, the performance of adhesives, coatings and sealants is more critical than ever for product quality and manufacturing efficiency. Italy has a long-standing reputation for excellence in this field, making

**ADHESIVES BONDING & SEALANTS**  
– ABS EUROPE 2026 a key event for manufacturers, distributors, and industry leaders.

# **NEW TRADE SHOW ON ADHESIVES BONDING & SEALANTS INDUSTRY**

**27-29 OCTOBER 2026**

VICENZA EXPO CENTRE

A new international event featuring hundreds of global companies showcasing the latest technologies, products, and solutions. It's **more than an exhibition** - it's the ultimate platform for innovation, networking and industry insights in Europe and beyond.

A clear and valuable project: the meeting between operators in the field and the world of production, distribution, technicians and end users. The event will be further enriched by a series of high-level conferences.

Operators will be able to confront themselves at all levels within an event built exclusively on their needs. The protagonists will also be the sector associations and the primary political and economic institutions.

THE FIRST EDITION OF THE EVENT  
WILL TAKE PLACE AT THE  
VICENZA EXPO CENTRE - ITALY  
**FROM 27 TO 29 OCTOBER 2026,**  
CONCURRENTLY WITH  
**A&T - AUTOMATION & TESTING**

# VICENZA EXPO CENTRE

Vicenza in Veneto Region is perfectly located at the intersection of the various provinces of Veneto Region, and for the neighbouring regions of Friuli Venezia Giulia, Trentino Alto Adige, Emilia Romagna and Lombardy.

**Vicenza Expo Centre** offers logistical, service and flexibility characteristics that are unique in Italy, making it particularly convenient and easy to access for B2B users both in terms of traffic and hospitality. All in the name of rationality and the correct return on investment.

**Vicenza Expo Centre** covers an area of **80,000** sq.m. and is equipped with a raised area featuring a restaurant and conference rooms, service areas for exhibitors and visitors, catering facilities, a press room and meeting rooms. An **8**-level, multi-storey car park, adjacent and connected to the exhibition centre, provides parking for **600** vehicles.

Italian Exhibition Group (IEG) initiated a major redevelopment project at Vicenza Expo Centre in 2024 aimed at constructing a new, 22,000 sq.m., two-level hall. Designed by Hamburg-based Studio GMP in the name of sustainability, the new building will be built in the area formerly occupied by Halls 5 and 2, the original central core of the exhibition venue.
